Communication skills

Good ability to adapt to multicultural environment and experience of working in international settings.
Very good communication skills.

Organisational / managerial skills	<p>I have experience of working from home as a consultant with little or no supervision and am able to manage projects and deliver on time.</p> <p>I am a focused and self motivated individual, able to work with a multi disciplinary approach, providing written and oral feedback (through reports, workshops and conferences), setting up systems, monitoring and evaluating of services, being a self starter who is able to 'hit the floor running', having the ability to work independently as well as being a team player when needed and being a successful networker.</p> <p>I have over fifteen years experience in the field of training of both University students and NGO's operators and trainers.</p> <p>Also, I am an experienced fieldworker trained since 1990 to work in Metropolitan shanty towns and other urban informal dwellings.</p>
Job-related skills	<p>I am a director of documentaries (registered ENPALS). These skills were acquired during my University studies.</p>
Computer skills	<p>Good command of Microsoft Office Tools (Word, Powerpoint, Outlook). Use of social network software. I am able to use elearning platforms such as "Blackboard" for training purposes.</p>
Driving licence	B

ADDITIONAL INFORMATION

I am engaged as an Associate Researcher to the CNR IRPPS (National Council of Research – Institute for Research on Population and Social Policies) <http://www.irpps.cnr.it/en>), studying forms of welfare in emerging economies and in Europe, with particular attention to metropolitan contemporary poverty.

I worked as a consultant for Roma Education Fund and other organizations on integrated projects dedicated to the themes of social inclusion of locals, migrants and Roma and to the processes of integration and practices of active citizenship with various public and private research centers (SMU Self Made Urbanity Research Net, CNR IRPPS; Fondazione Basso etc.), Universities (Università di Roma "Sapienza", University of Molise, University of Birmingham), NGOs (Popica Onlus, "Senza Confine", Roma Education Fund).

2011: Appointed full Member of the European Academic Network of Romani Studies, organised by the Council of Europe (CoE DG Culture).

2011: ICC expert for the Council of Europe program: "Intercultural Cities Network" (CoE DG Culture).

2012: Expert with more than 7 years experience to assist EU Directorate-General for Regional Policy in the appraisal, implementation and monitoring of Cohesion policy intervention in the following fields:

- Meetings to discuss policy issues in specific subjects
- Discussion papers on policy issues
- Education, Lifelong learning
- Social Innovation
- Promoting social exclusion and combating poverty
- Active and healthy ageing
- Active inclusion/poverty reduction
- Roma inclusion
- Investing in education, skills and lifelong learning

I have participated as a speaker to several national and international conferences and participated to various researches on urban ethnic minorities with particular regard to Roma and on the themes of immigration, social exclusion and marginality.

I am an experienced researcher and fieldworker working since the 1990's in urban informal dwellings inhabited by Roma and migrants from the Maghrebi area as well as with disadvantaged Italians.

I have collaborated with various national and international institutions such as the Council of Europe and the European Parliament.

I have also worked with Italian young offenders and early school leavers, having been responsible of an outreach work team for the contrast to youth deviance in the VIIth District of Rome and financed by the Rome City Council.

I have very good communication skills and possess excellent organizational competences. I am familiar with the practices of the Institutional Analysis and with the implementation and enactment of monitoring and evaluation practices and systems.

In particular, for the University of Molise I have been entrusted of the implementation of a qualitative monitoring and evaluation system of a series of Regional projects dedicated to disadvantaged children and adolescents and financed by the Ministry of Welfare (L.285).
