**Membership of professional/academic forums**

I am a member of the British Sociological Association  
I am a Fellow of the Royal Society for Public Health  
I have made numerous contributions to various Government Committees including:

The Home Office National Refugee Integration Forum;  
 The DH Advisory Committee on Asylum Seekers Mental Health and Health Issues;  
 The DH Steering Group on Language, Interpretation and Translation services;  
 The DH Equality and Diversity group,  
 The NHS Direct Patient Information Accreditation and Kite marking Project,  
 as well as being an invited speaker at the House of Commons and the House of Lords on asylum health issues.

I have worked with various professional and voluntary agencies, including the Employability Forum, The Medical Foundation for the Care of Victims of Torture, and the National Centre for HIV and Sexual Health, the Refugee Council and other Refugee Community Organisations. I was a member of a special advisory group for the Royal College of Paediatrics and Child Health.

I was a member of the Thomas Conran Research Institute advisory group on the mental health and well being of unaccompanied asylum seeking children. I was a member of the Department of Health and Social Care and Partnerships Team in the East of England and the Regional Adult Safeguarding Leads Network for the East of England and a member of the JIP Core group for the East of England.
